Dear Ms. Kelley:

RE: Reclamation Bond for Permit Transfer, Small Fry Mine,
ACT/037/022, San Juan County, Utah

Please find enclosed, bonding forms for the submittal of a reclamation bond in conjunction with the permit transfer of the Small Fry Mine.

Bonding requirements for the site are as given in a March 27, 1986 letter to W.K. Enterprises, escalated to 1987 dollars. The bond amount required is \$30,318.00 (1987 dollars) as stated in that letter.

As soon as possible upon completion of the permit transfer, the Division shall inspect the site and adjust the bond amount as may be required. Since the bond amount will be posted in 1987 dollars, adjustment of the bond will be required prior to the end of this year.

Thank you for your cooperation in this matter.

Sincerely,

Susan C. Linner
Reclamation Biologist/
Permit Supervisor
